What is Boost?

**Apologetics Worldviews Outreach Discipleship
Prayer Accountable prac's Leadership**

Boost is an 8 day, 2 year program; one day a term over 2 years so that you have time between to practically apply into your life what you have learnt. Annual cost (which includes notes and catering) will be \$70 + \$60 for each additional sibling.

Geoff respects young people as serious thinkers and challenges them to become strong, bold leaders in truth and grace.

Boost is pitched for thinking teens from 14-18 years of age, and for their leaders and overseers. (For prospective Boost participants, each August we will run the pre-requisite [Core Stuff](#) as a one day intensive.)

So if you, or someone you know, want to really **know** what you believe, **grow** your Christian Faith, and **go** share it and **lead** others, then register for Boost and join with other like-minded young people from around the state. Also, if you would like this training program in your church or school, contact Geoff Westlake and book him directly, or train to become a presenter yourself.

Boost Content
