AMUC

[Among the Urban Community]

AMUC is a unique experience. It's a mission exposure camp for adults in our own city. The AMUC experience invites followers to a deeper faith where there are no easy answers. It aims to broaden the experience of Christians while allowing space to reflect on the message of Christ.

When: July 5th to 9th 2021

Where: Perth Church of Christ

Cost: \$200 waged, \$175 unwaged

AMUC is a joint initiative of Scripture Union WA and TEAR Australia

AMUC is not a mission but will certainly challenge your faith, lifestyle, priorities and understanding of the Gospel.

What is AMUC (AMong the Urban Community)?

- It's like a camp - but its focus is on discipleship and faith in action
- It's like a retreat - but with times of action
- It's like a mission exposure trip - seeing God at work in our own neighborhood
- It's a challenge and a call to follow Jesus. To be with the rejected and those living in the margins

Centred in Northbridge, the camp aims to expose our "campers" to a wide range of experiences and ministries helping to bring the love of Christ into the WA community. Many of us, whether just leaving school, at a crossroads with our career and family life or, after being challenged by the Holy Spirit about the direction of our life can be at a loss to work out what to do about it.

How do we ignite the passion that God has placed in our hearts?

What if there is something else God is calling you to? Whatever your passion or vocation is, TEAR and SU are keen that you put the last first. That is, that you find a way to put the poor and marginalised at the centre. To give them first priority to demonstrate God's grace and so reflect God's heart of mercy and justice. AMUC will help your heart be broken by the things that break the heart of Jesus and thus motivate you to be Christ's hands and feet when you engage in His Kingdom work.

AMUC presents us with a really wide range ministry opportunities to challenge our thinking and present us with practical ways to discover what God might be wanting us and our families to engage with. Our programme during the week includes an evening walk through the city to discover the "underbelly" of the city and the corridors of both power and mercy. We connect and share a meal with neighbourhood outreach ministries, visit Esther House, Pregnancy Problem House, Harry Hunter Rehabilitation Centre, Beacon Homelessness Centre, St Barts, Street Chaplaincy and connect with ministries working with indigenous first Australians, refugees, prisoners and their families and drug-affected people and their families.
