

Young Adults Ningaloo

Discipleship - Community - Adventure

Young Adults Ningaloo is the perfect way for young adults to start their summer. Getting away from the daily grind and having the time and space to connect deeply with God. It is the ideal blend of fun-filled adventure activities on the World Heritage-listed Ningaloo coast and opportunities to explore their faith journey in a community of like-minded people. Activities are optional, so they can either explore the wonders of Ningaloo or stay at camp, around the pool or grabbing a coffee in the lounge on site. This experience will be full of adventure, friendship, and discipleship that has the potential to make a real difference in their lives; by strengthening their relationship with God in a place free of distractions and surrounded by His creation.

Goals

- ➔ *Discipleship* – To grow in knowledge, love and compassion towards God, other people, and God's world
- ➔ *Community* - Create a safe, supportive, and encouraging environment at camp, where people are able to fully share their lives with each other
- ➔ *Adventure* - Facilitate experiences where we can have fun together; deepening our connection with God and each other, whilst enjoying creation

Serving on Camp

Camps are a great opportunity to serve and to create an atmosphere for others to grow and for the Holy Spirit to work. For Young Adults Ningaloo we need a number of volunteers, who are 26 or older, willing to serve on Leader Teams that will help facilitate the camp and create that atmosphere. Please feel free to apply as a family, we are very happy to have mini-campers on Young Adults Ningaloo.

Leader Team Responsibilities

Kitchen Team

Food is an essential part of the camp experience. Serve the campers and team by preparing and serving food each day, that will give them the strength to fully engage with the programme. Responsibilities include making and serving two cooked meals a day, preparing food for the young adults to make their own packed lunch, and providing afternoon tea and late-night snacks. This team is coordinated separately from the General Leaders, working on your own timetable. We will try to ensure that each member of the team is given suitable rest time and the opportunity to engage with some of the day activities too during the week. (There is no cost to be part of the Kitchen Team).

General Leaders

The camp is facilitated by the General Leaders who will be expected to join in fully with the programme. An average day will include a morning team meeting, attending devotions, facilitating a Day Activity (like snorkelling, or mountain biking etc.), creating a chilled-out atmosphere in the afternoons, leading a small discipleship group, facilitating an Evening Activity, and attending the evening discussion time. Days are full on, but there is also plenty of time to connect deeply with the young adults, inputting into their lives.

Media Team

We want to capture the story of camp, and therefore the Media Team have an important role. If you are into photography, videography, and/or editing we would love you to be part of the team. This team observe and capture the week, whilst putting together presentations that can be shown throughout the camp to relive the memories we are creating.

Signing Up

If you are interested in being part of the team, please jump on <https://suwa.joinateam.org/start> to start your application process. Be aware there is a small cost involved in volunteering, to cover food and accommodation, as well as the expectation you will be willing to give preparation time and effort before camp, and full commitment when you are there. Serving on camp is a great experience and people often learn a lot about themselves, growing in a number of skills and developing new ones too, as well as enriching their relationship with Jesus.
